

Service Supplements

The Service Order between the Parties shall set forth the Services provided to Customer. Services shall be provided to Customer subject to the terms of the applicable Agreement, as defined in the Service Order, and service supplement(s) below. Please click on the link below to see the additional product terms for each Service. Edgio reserves the right to modify the Service Supplement(s) at any time, effective upon posting of the modified Service Supplement to this URL or other notice to Customer.
